SMART Wicking Headband

- One-size-fits-all absorbent elastic sweatband

Enjoy more endurance and clearer thinking with **Sweat Management And Removal Technology**: this headband wicks away sweat, helping you maintain cool composure when working hard. This chemical free sweatband is made in the USA and Berry Compliant. The secret is due to the proprietary layered cotton-top fabric. Evaporative cooling using sweat from your brow keeps you cool and dry. Dry skin allows your body to release heat easier. The headband leaves a large space for you to include your company logo, or event name. Your brand will look sharp on this comfortable headband!

Unlike hair ties, scrunchies don't cause hair breakage. The layer of muslin between the elastic band and your hair serves as a soft barrier to protect your precious locks from direct friction! Scrunchies also don't have to be wound as tightly around your hair. The full coverage print keeps your organization or cause in view and in mind!
